TUMBLED SEVERAL POINTS

Causing the Market to Close Weak. Wheat Lower on Liquidation of December Deals.

New York, Nov. 4.—Money on call is nominally 1½ per cent.

Prime mercantile paper 5½ per cent. Sterling exchange is dull with actual business in bankers' bills at \$4.51½ & 4.51½ for sixty days and \$4.30 & 4.31½ for demand.

Postage rates, \$4.25 & 4.25; commercial bills, 4.80 & 4.80; for sixty days, and \$4.83 & 4.83½ for demand.

Bar silver, 65½. Government bonds steady; state bonds dull; railroad bonds strong.

Silver certificates at the board were neglected.

With the exception of Chicago Gas and General Electric, which scored financial losses at the opening, the stock market was firm. The strength was the result of covering of short contracts by some of the timid bears and an impression that the bank statement would be favorable. For awhile the market ruled firm, but the advance in the posted rates of sterling exchange of ½ to 4½ and 4½, something extraordinary for a Saturday, gave the bears an opportunity, which they were not slow to take advantage of. Chicago Gas was singled out as being most vulnerable and in less time than it takes to tell it, the stock was forced down 3½ per cent to 61½. The general list fell ½ to 2½ per cent in sympathy. Sugar declined 2½ to 9½; New England, ½ to 3½; Burlington & Quincy, ½ to 2½; Rock Island, ½ to 6½; Lackawanna, ½ to 17½; General Electric, 1 to 4½; Reading, ½ to 20½, and Western Union, ½ to 8½. In the inactive list New York, New Haven & Hartford advanced 6½ to 17½. The market closed weak and ½ to 1½ per cent below yesterday's final figures. The bank statement, which had been awaited with anxious piling up of capital at this center, was considered very favorable, but did not exert the slightest influence on the stock market. Banks gained \$6,783,700 in cash of which \$552,000 were specie and \$6,211,700 in legal tenders. Deposits were increased \$14,150,361 and loans were reduced \$1,500,000. Total decrease \$20,350. The increase in the reserve was \$3,233,375, and the banks now hold the enormous sum of \$32,013,450 above the 25 per cent required by law.
